FORM NO. 10B

[See rule 16CC and 17B]

Audit report under clause (b) of the tenth proviso to clause (23C) of section 10 and sub-clause (ii) of clause (b) of subsection (1) of section 12A of the Income-tax Act, 1961, in the case of a fund or trust or institution or any university or other educational institution or any hospital or other medical institution.

We have examined the balance sheet of GRAMEEN DEVELOPMENT SERVICES [name of the fund or trust or institution or any university or other educational institution or any hospital or other medical institution] as at 31-Mar-2024 and the Income and Expenditure account or Profit and Loss account for the year ended on that date are in agreement with the books of account maintained by the said fund or trust or institution or university or other educational institution or hospital or other medical institution.

We have obtained all the information and explanations to the best of our knowledge and belief which are necessary for the purposes of the audit.

In our opinion, proper books of account have been maintained at the registered office of the above named fund or trust or institution or university or other educational institution or hospital or other medical institution at the address mentioned at serial number 14 of the Annexure:

In our opinion and to the best of our information and according to explanations given to us, the particulars given in the Annexure are true and correct subject to following observations or qualifications-

In our opinion and to the best of our information, and according to information given to us, the said accounts give a true and fair view-

- (i) in the case of the balance sheet, of the state of affairs of the above named fund or trust or institution or university or other educational institution or hospital or other medical institution as on 31-Mar-2024; and
- (ii) in the case of the Income and Expenditure account or Profit and Loss account, of the income and application or profit or loss of its accounting year ending on 31-Mar-2024.

Subject to the following observations/qualifications-

- (a) The assessee is responsible for the preparation of the financial statements that give a true and fair view of the financial position and financial performance in accordance with the applicable Accounting Standards issued by the Institute of Chartered Accountants of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error
- (b) The assessee is also responsible for providing the information and details to be included in the statement of particulars annexed to Form No. 10B that give true and correct particulars as per the provisions of the Income-tax Act, 1961 read with Rules, Notifications, Circulars etc
- (c) Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted this audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement
- (d) An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purposes of expressing an opinion on the effectiveness of the internal control of the entity. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements
- (e) We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

- (f) The details of founders, members of the Society, members of Governing Council and Office bearers in clause 10(a) and details of specified persons as referred to in section 13(3) of the Income Tax Act, 1961 in clause 41 and transections with specified persons in clause 42 have been furnished to the extent provided by the management of the Society
- (g) The bifurcation of application of income through Electronic modes and Other than electronic modes in clause 31 and clause 37 could not be readily extracted from the books of account and accounting software used by the assessee, hence the figures have been furnished as provided by the assessee

The prescribed particulars are annexed hereto.

ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

ANNEXURE 'VIII'

Aims, Objectives and Programmes:

- Grameen Development Services was incorporated, on 26.02.1993, as a Society, registered under Societies Registration Act, 1860 (Registration No.: 2026/ 1992-93). It is also registered under section 12A of the Income Tax Act, 1961 (registration number AAATG2067ME20214 on 28.05.2022: valid till AY 2026-27) and Foreign Conribution (Regulation) Act, 1976 (Registration No.: 136550091 dated 22.04.1997), renewed on 29.12.2023 with validity up to 31.03.2029. It is also registered under section 80G(5)(vi) of Income tax Act, 1961 to receive donations (registration No. AAATG2067MF20214 dated 28.05.2022: valid till AY 2026-27).
- The aim of the Society is Rural Development specifically, livelihoods strengthening & poverty alleviation through economic empowerment programmes. The strategic approach involves promotion of community institutions of the poor (self help groups, federations, farmers' clubs, primary producers' organisations, etc.) with specific focus on women, and small & marginal farmers; execution of income and production enhancement interventions like agriculture and livestock based livelihoods development programmes, etc with necessary support in the form of techno-managerial inputs. GDS also works on the issue of community based disaster risk management in the flood prone areas and is mandated to carry out need based humanitarian response in GDS's own programme areas. GDS also works towards reducing the risks & vulnerabilities of the migrant labour and provide critical services to make migration more beneficial to workers. GDS has included the theme of Water, Sanitation and Hygiene Promotin (WASH) into its portfolio of programmes. During the year it has undertaken the following projects:
- a. Cash Based Emergency Flood Response in Shravasti

The flood occurrence in 1st week of October, 2022 had severely devastated the Kharif crops of small and marginal farmers, caused loss of livestock & houses and the whole normalcy of life became disturbed in most affected areas of 9 villages located at Gilaula block in Shravasti district. In all, 2650 small and marginal farmers (population of 13319 persons) from all 9 villages selected on defined criteria were covered under CRS supported ERRF initiative. 58% of the total beneficiaries were women who received cash support (@Rs. 2590/- per beneficiary) directly transferred to their designated Bank account to adress the requiremets of forthcoming Rabi crop, particularly wheat and bring back the economy of victim families on track. The major part of the initiative was completed in FY 2022-23, only some spill over was completed during the April 2024.

b Trans Boundary Rivers of South Asia (Sharda Basin) Project- Supported by Oxfam Novib

TROSA-II project was started in July, 2023 with the support of Oxfam Novib during FY 2023-24 covering 25 villages in 2 blocks; Palia Kalan & Nighasan of Lakhimpur Kheri and Puranpur block of Pilibhit districts in UP. The community institutions like VWMCs, citizen science etc. were strengthened through their capacity building and meetings in the project villages. Due to some funding processes, the funding from Oxfam Novib got suspended and further streamlined with the indulging of another international agency 'IUCN' to lead the program in India.

Trans Boundary Rivers of South Asia (Sharda Basin) Project- Supported by IUCN

During the year 2024, at the behest of Oxfam Novib, the IUCN accepted the lead in India and started supporting GDS to implement the above project. The project focuses on water governance and promotion of climate resilient agriculture based livelihoods. A network of village water management committees, citizen science group and EWS task force has been strengthened in all the 25 villages covering a total of 13493 households there. The numbers of interactive meetings were conducted with mainstream village level frontline workers & volunteers followed by block officials & PRIs to develop plan for water governance (in GPDPs) and mobilizing convergence with govt. schemes.

d Improvement of Agriculture and Allied Sectors in Balrampur, Bahraich & Sarawasti Districts for 2023-24- ITC Limited

Aimed at increasing agriculture income of farmers by reducing cost of cultivation and increasing crop productivity and intensity, through use of improved technologies and agricultural practices, GDS is implementing the program in partnership with ITC, Kolkata since 2018, to facilitate the socio-economic initiatives undertaken by NITI Aayog, Government of India, in the three NITI Aayog 'aspirational districts' of UP- Balrampur, Bahraich & Shravasti in Devipatan division of eastern Uttar Pradesh. During FY 2023-24, total 32539 households of 444 villages spread over 18 blocks of above 3 districts were covered with various project interventions. The agriculture development framework(ADF) comprised of knowledge empowerment, institutional support, NRM and livelihood diversification. 545 FFS, 150 wall writing, govt. schemes benefit to 12879 households, soil health cards to 1103 farmers, district level workshops were some key activities undertaken in these districts durign the year.

e. Capacity Promoting Climate Smart Village in Lalitpur District (Uttar Pradesh), 2023-24- Supported by ITC

ITC Ltd. supported 'Promoting Climate Smart Villages in Lalitpur, was started in October'23 covering 6956 households of 20 villages spread over 18 GPs in the Birdha block of Lalitpur district. Under the project, construction of gabion with 8 farmers, check dam on 3 village ponds and 4 farm ponds in individual holdings for common use was done at strategic locations. Approx. 517 farming households would be benefitted from these constructions. For day-to-day management, water user groups (WUGs) were organized in 11 villages with membership of 278 farmers. Meeting with all other stakeholders including PRIs and mainstream functionaries was done to mobilize their support as and when required.

f. GROW Project for Grameen Development Services - Organization Development

The EdelGive Foundation-supported GROW Project, spanning two years from April 2022, focuses on organizational development of GDS. It encompasses three major domains: Capacity Building activities, Organisation Development Activities, and Core Cost. The project's nature is to strengthen core activities and expenses, while strictly prohibiting beneficiary-led interventions. During FY 2023-24 being 2nd and final year of the project, a five year organisational strategic plan of GDS (2023-27) was prepared. The existing gender policy was revised in support with experts and consultant. GDS enunciated its PoSH policy to provide safe working place for women. GDS system manuals were revisited and revised as needed for organisational development. The MIS software was developed and official website redesigned with external technical support. The review meetings and organisational retreat were organised for GDS staff. The capacity building of GDS staff on various relevant themes were organised in support with renowned external agencies.

Glimate Smart Agriculture and Livestock (CSAL) program in Shravasti district of Uttar Pradesh (0010) - Shravasti District

The CSAL project is an extension of the previous project, Sujalam Sufalam II, and has evolved into a more focused and mature program based on the achievements and learnings from its predecessor. With a grant approved from October 2022 until March 2024, the project's primary objectives are to double farmers' income and strengthen community institutions in Gilaula and Sirsiya blocks of Shravasti district. In all, 20042 households of 89 revenue villages living in the above 2 blocks were covered with various interventions. 12092 farmers adopted minimum one high value vegetable crops and 19435 farmers adopted any of the staple crops during 2023-24. A network of 72 AEs was strengthened through project support to act as agri-business link between FPC and farmers. 20 AEs were given branding support by the project. 27 net-houses were installed for vegetable grwoing in protected environment. 87.9% of total farmers doubled their agri-income to the baseline (2019-20) against target 80%. An eco-system could be developed to accelerate multi-stakeholder approach for maximising the benefits to the target farming households.

h. Climate Smart Agriculture and Livestock (CSAL) program in Shravasti district of Uttar Pradesh (0053)- PMU Lucknow

For the CSAL project's effectiveness, a dedicated Project Management Unit (PMU) has been established in Lucknow. This unit serves as the central coordinating body to oversee and manage the various aspects of the project including, research, advocacy capacity building and reflection and learning.

Strengthening Livelihoods through Agriculture Development in Jamunaha block of Shravasti district (U.P.) supported by APPI Pvt. Ltd., Bengluru

The Azim Premji Foundation-supported project spans three years from February 2022 to January 2026, with the aim of enhancing the income of 6000 families residing in the Jamnaha block of Shravasti district. During the initial phase of the project in February and March 2022, the project team was recruited, and the villages for implementation were finalized. Natural/organic farming practices are to be emphasized in the project agricultural activities. The profiling of 4342 small and marginal farming households living in 20 villages was done. The baseline indicators were identified through baseline survey. During 1st year (2023-24) of its implementation, demonstrations of high value crops; potato, onion and groundnut was done in Rabi season while technical support was given to paddy and wheat growing farmers. Soil testing of all 100 samples was got completed from IISR, Lucknow and results together with recommendation of soil scientist were shared with the community. The training and exposures of project team members, CRPs, para-vets and farmers was done. The network of 32 producer groups and 10 agriculture entrepreneurs was strengthened. The project will complete its coverage in 2nd year of its operation.
